SPONSOR CAPISTRANO VALLEY HIGH SCHOOL FOOTBALL

Dear Community Partner:

Did you know you're in COUGAR COUNTRY? Capistrano Valley High School (CVHS) Football in Mission Viejo needs your help. The cost to run our football program is more than **\$250,000** annually. The school district only funds about **5%** of our budget. The balance must be raised by the CVHS Football Booster Association, consisting primarily of parents, in conjunction with our community partners like you. The Booster Association provides support for equipment, uniforms, safety gear, bus transportation and numerous other needs that arise.

We are a non-profit 501c(3) organization which provides football instruction for student athletes attending CVHS. Our program strives to teach young men about the game of football, teamwork, community service through volunteering, and good citizenship. Head Football Coach Sean Curtis' philosophy is to teach players life lessons, develop physical abilities, and maintain appropriate academic levels so our athletes become well-rounded adults.

Thank you for your support of CVHS Football Booster Association in our fundraising efforts for the upcoming 2025 football season. We could not do it without you! Please feel free to email us with any questions, or for additional information.

Sincerely,

Kiki Banuelos & Tiffany Gilstrap
